

I have been listening to K-LOVE radio for over 5 years. It is the the only TV or Radio station that I have ever financially supported. K-LOVE is already hard to pick up in my area. Please do not do anything to weaken or take away the K-LOVE signal. It is a source of light and love for our community. Other FM channels play contemporary music that is filled with violence and sex, and have disc jockeys that are sarcastic and vulgar. K-LOVE is a safe place for families and anyone with high values. PLEASE, don't take away this high spot on my dial!
